This is not an official document. The overview table is provided for information only. The figures are based on statistics reported by CoB member Bureaux in their capacity as Handling Bureau for Green Card claims occurring in their territory. The CoB assumes no responsibility for the accuracy of the data provided.
Rows represent Handling Bureaux, columns represent Guaranteeing Bureaux

For Bureaux marked with (*), claims handled by correspondents on behalf of the Bureau are omitted or not fully reported. As a result, the numbers of accidents guaranteed by Bureaux may also be understated. The overall effect of this incomplete reporting may be roughly estimated to be anywhere between 30.000 and 50.000 claims.
IL - the Israeli Bureau (as Handling Bureau) has not reported any claims data to the CoB for 2014.

A total number of 471 additional claims were reported to be caused by vehicles originating in countries outside of the Green Card system (or with country of origin unknown).
