Observations by the undersigned

**In case of property damage?
Please sign Authorization here on below:**

The undersigned hereby authorizes the Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) to process any data arising from the claims procedure and to transfer this data to third parties affected by the loss, whether inside or outside Switzerland, in particular to co- and re-insurers, and to the liable foreign primary insurer, whose offices may, depending on the constellations, be located in a country without appropriate data protection, in accordance with data protection law. The Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) are hereby authorized to procure all pertinent information from public offices and to inspect official files in the event of a loss. Additionally the Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) are authorized in cases of recourse to a liable third party to provide the necessary data to the liable third party or their liability insurer, to enable them to enforce their legal claims. The undersigned has/have the right to request information about any data pertaining to him/her. The undersigned also has/have the right to revoke at any time the authorisation granted by him/her/them. The Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) hereby undertakes to treat all information received in strictest confidence.

**In case of property damage or personal injury?
Please sign Authorization:**

The undersigned authorize(s) the Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) to process to the extent required data derived from the processing of the claim and to pass this information on for processing to third parties affected by the damage in and outside Switzerland, in particular to co- and re-insurance companies, and to the liable foreign primary insurer, whose offices may, depending on the constellations, be located in a country without appropriate data protection, in accordance with the data protection act. The undersigned authorize(s) attending medical staff and their assistants to provide the Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) or their medical services with all information required in connection with the accident and the processing of the claim, and thereby releases these persons from their obligation to maintain secrecy for this purpose. The Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) are authorized to procure pertinent information from official sources and to inspect official files. Furthermore, the Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) is also authorized – in the event of recourse to a liable third party – to provide the necessary information to the liable third party or their liability insurer to enable them to enforce their legal claims. The undersigned person/s has/have the right to request that the Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) provide information in respect of data pertaining to him/her/it. The undersigned also has/have the right to revoke at any time the authorisation granted by him/her/them. The Swiss National Bureau of Insurance (NBI) and its representatives (art. 41, al.1, Swiss Road Traffic Decree (VVV)) undertakes to treat all information received in strictest confidence.
