No

**MK**

No. It is not precisely quoted in the Insurance Law. However, in practice, a claim is paid as if from hazardous means.

**N**

Yes

**RO**

A trailer is registered in our country, according to our legislation, the trailer is not insured with motor third party liability insurance. If the trailer is attached to the truck, the damages cost to the third parties will be borne by the motor third party liability insurer of the truck.
